THE CLASS OF NONVIOLENCE

The Class of Nonviolence is an eight session class developed by Colman McCarthy, founder of the Center for Teaching Peace in Washington, D.C. It uses classics in peace and justice literature to teach peacemaking. This course can change your life and you can change the world.

The entire eight-session / 48 essay class can be **downloaded as a PDF file** - it's free!

The Class of Nonviolence

"Human beings are used to thinking about violence and war as problems to be controlled rather than thinking positively about peace as an achievement, as a state of being within their control. Peace education rests on an active vision of peace where skilled individuals, who have been trained in the ways of nonviolence, intervene in conflict situations to manage them without using (violent) force." *Ian Harris*
